See more swag gifts on page 9.

+ **Education:**

Online Presentations from Industry Leaders are available on-demand and released each day of the event.

+ **Targeted Meetings:**

One on one meetings with solution providers are held via Zoom based on your availability the week of the event.

+ **Swag:**

Since it's still not an option to rent out entire NFL stadiums to host you, we shower you with gifts instead. You're working harder than ever to be at the top of your game, and it's the least we can do.

HOW IT WORKS

1 PRE-EVENT

- + Tell us about your challenges, your availability during the event, and your swag preferences.
- + Before the event goes live, we'll schedule meetings with the people best suited for tackling your problems.

2 GO LIVE

- + On go live date, you'll get access to the game changers in your industry. Presentations are available on-demand and beyond the conference dates, so you can watch them at your convenience.
- + Complete all your meetings with the incredible solution providers that made this possible and your swag is on its way.

3 AND BEYOND

- + Make your job look easy, solve the things that needed solving, and find a new home and necessary support in our executive community.

WE HAVE 100S OF CUSTOMERS THAT WANT YOU TO KNOW

WHY THEY KEEP COMING BACK TO CONNECT

This was the first time that I had participated in "speed dating" with vendors! It gave me a great high level view into their services, which I did appreciate.
HR Director

The team did a great job selecting topics that were relevant to what's going on around us. The 1:1 meetings were much more aligned at this conference for my company.
Vice President of Human Resources

This is the second Connect HR virtual meeting that I've been apart of and I found this one to be much more streamlined and the vendors I was connected with were all vendors that were aligned to my needs.
Head of Talent Management

This was a very valuable and rewarding experience. The speakers were well informed and engaging. We were not aware of most of the services offered, so are very much appreciate the knowledge we received.
Director of Human Resources

CONNECT HR TESTIMONIALS

The Quartz Events folks did an exceptional job. I like for format, ease, flexibility, and content.
Assistant Treasurer

It was a great virtual conference. This was the first I attended that was like an in person meet and greet at "vendor booths"
Vice President of Human Resources

I loved hearing about boutique companies that provide unique service offerings!
Vice President, Human Resources

The staff was very good, responsive easy to work with and very good follow-up. Felt like I received a personalized experience in my interactions. I appreciated the team's follow-up, responsiveness and help in preparations. Also, the editing team did a nice job with my final presentation.
Corporate Head of Human Resources

It was easy to schedule and plan. Customer service was top notch. I actually enjoyed the opportunity even though it was all virtual.
Corporate HR Director

CONNECT HR TESTIMONIALS

The Quartz Events team did an amazing job following up and helping out as needed. I have not seen such a high level of customer service.
VP, Head of Human Resources

I've been to an in person conference and now a virtual one. I thought the vendors sessions with the virtual conference were actually more meaningful. I enjoyed the time spent with each one and walked away with either new information to take back to my organization or a new contact for potential partnership....or both!
VP/Director, HR

I appreciated the communication and ability to access content on my own time. during a very busy time, I was still able to engage, despite my schedule.
Executive Director, Talent

Thank you Quartz Events for the planning that went into this event. The scheduled meetings and flexibility to attend the sessions worked really well with my schedule.
Global HR Director

CONNECT HR TESTIMONIALS

I think that in the year of Covid Quartz Events did the best they could possibly do.
Director, Compliance and Employment

I truly enjoyed the experience. I would certainly encourage future events with a similar format.
Director of Human Resources

First of all - THANK YOU Quartz Events Team! I always appreciate HR Connect Quartz events. I thought the virtual event was very well planned as usual; however, I do miss the in person conferences for networking purposes. I certainly hope that 2021 will allow for in person conference once again.
SVP of Human Resources

I loved the access after the fact as it was a horrible time of year for our company and I wasn't able to see any of the presentations on the original days scheduled.
Controller, VP
