INSPIRE THE NEXT GENERATION OF LEADERS

Quartz Network is the ideal platform for accomplished industry executives interested in exposure & thought leadership with thousands of peers within their job function.

Given the uncertainty and ever changing landscape that has become everyone's reality, there's a greater need now more than ever for senior-level executives to connect and share experiences.

You're invited to lead the charge.

QN caters to all major job functions including:
Supply Chain, Procurement, IT, Manufacturing, R&D, Finance, HR and Marketing.

Only your peers access the content,
no sales people in platform.

48% of members are VP or C-Level.

Housed in an ever-growing library of peer-led
on-demand presentation content.

AS A PRESENTER, YOU'RE POSITIONED TO EXCEL

A simple yet powerful element of QN On-Demand Presentations is that all content is pre-recorded. This simple nuance allows for a more polished execution and infinitely greater reach than live presentations.

Once your presentation proposal has been accepted, you can record in your own time and convenience with tools and assistance provided by the Quartz team. You're also not on the clock as sessions can be as long or short as your materials and content support.

SHARE THOUGHT LEADERSHIP AND ENHANCE YOUR PROFESSIONAL PROFILE THROUGH QN PRESENTATIONS TODAY!
